## We bring *dreams* to Life

Your dream is our passion and purpose. For nearly 50 years, we have focused on creating the best client experience. We respect and understand purchasing a pool is a significant investment. Your Narellan Pool will create fun and lifelong memories for you and your family. Our team is passionate about providing the very best personalized service and tailored solutions to meet your budget, reflect your style and showcase your individuality.

### More *options* than most

**Automation:** Sit back, relax and let our fully automated systems control your swimming pool's temperature, cleaning and even your water chemistry without you lifting a finger.

**Sunpods & Water Features:** Sunpods and water features enhance the visual look of your swimming pool. We can help create a magical look to complement any Narellan Pool.

**Swim Jets:** Creating an artificial current to swim against for therapy, fitness and aerobic exercise, our swim jets allow swimmers the physical training they require.

**Spa Jets :** Relax and unwind. Let your pool give you a massage with our in-pool spa inclusion

**Lights:** Color your world with our range of innovative lighting solutions. Installing lights in your pool creates a magical look at night.

**Pool Blankets/Covers:** Ask your local pool builder about a fitted pool blanket / cover. They help to reduce evaporation and keep your pool warm.

**Cleaners:** A clean pool is an inviting pool. We offer a range of pool cleaners to keep your pool sparkling all year round. From robotic to suction cleaners, we will assist you to find an option which will suit your lifestyle and budget.

**Heating:** With our range of quality heating systems for your pool, you get the benefits of stable water temperature and an extended swim season. The three types of heating systems are solar, heat pumps and gas, which can be used separately or in conjunction with each other. Ask us about the best solution for your pool.

**Disclaimer:** Lengths, widths and depths may vary up to 3%. Waterline dimensions are the length and width measured at the top of the coping. Depth is from deepest part of internal shell coping. Unless indicated otherwise, pools are non-diving and use of diving equipment is prohibited. The colors are a representation only & may not represent the final product.
